

RE: Village of Arlington Heights Green Electric Aggregation Program
ComEd Service Address:

GREEN ELECTRIC AGGREGATION OPT IN NOTICE

Dear Resident or Small Business Owner:

The Village of Arlington Heights is continuing our Green Electric Aggregation program. Following the passage of a March 2012 voter referendum, which authorized the Village to adopt aggregation programs, the Village has procured electric supply in bulk for residents and small businesses when viable. MC Squared Energy Services, LLC (mc²), was selected in a competitive bid process to serve the Village with electric supply and Renewable Energy Certificates (RECs). mc² will provide eligible residents and small businesses with an electric supply price equal to the ComEd rate for a 36-month term beginning with the December 2020 ComEd meter read cycle. Through this program, the Village will be designated an EPA Green Power Community at no added cost to residents or the Village.

Your account will not be switched. You will remain with your current supplier. This notice is informational only. Your electric utility has informed us that you are currently served or have chosen to be served by another competitive retail electric supplier. **If you want to continue to receive service from your chosen electric supplier, you do not need to take additional action.** Effective January 1, 2020, no supplier may charge an early termination fee for vacating a contract. You may purchase electric supply from other Retail Electricity Suppliers or ComEd. For a complete list of your options, visit www.pluginillinois.org. You may also request a list of all supply options available in a format allowing comparison of price and product from the Illinois Power Agency free of charge at www.illinois.gov/ipa/Pages/Feedback_Form.aspx.

If you wish to be served by mc² as your electric provider within the Village's Green Electric Aggregation Program, you must take action to enroll. Visit www.mc2energyservices.com/special (enter promo code **Arlington Heights**) or call 833-748-0914, Monday through Friday, 8 am to 5 pm. If you wish to enroll, you will never pay more than the ComEd rate. There are no enrollment or early termination fees.

For more information, email ArlingtonHeights@mc2energyservices.com or call 833-748-0914, Monday through Friday, 8 am to 5 pm. We encourage you to contact mc² first before contacting the Village with any questions. Please beware: any solicitor who comes visits or calls, asking you to switch to a supplier, is not associated with the Village, mc² or ComEd.

Sincerely,

Randall R. Recklaus
Village Manager
